

MidJourney and the Annunciation form

I have been experimenting with standard forms in Catholic art from the 13th to the 16th century. Here are some midJourney examples.

Rene Magritte, de Kooning and Cy Twombly on the top row, Modigliani, da Vinci and Philip Guston on the bottom.

Basquiat, Piet Mondrian and Jasper Johns.

Agnes Martin, another Basquiat, Lucian Freud, Fra Angelico and Leonara Carrington.

Klimt, Picasso, Egon Schiele, Francis Bacon, Cy Twombly and Banksy.
