

my anti-Black Friday thread

really? this is modern capitalism?

Here are a few links to great articles challenging this ridiculous consumer frenzy also known as “reducing inventory” day.

From *Dissent*, a discussion of Ferguson protests and of WalMarts labour practices and the forcing of people to work on Thanksgiving [here](#).

From *The New Inquiry* an amazing infographic on consumption patterns [here](#).

And the best article if you just read one: Guy Rundel’s excellent article on the semiotics of Black Friday in *Jacobin* [here](#).
