

Notre Dame in Montreal

A few photos from Notre Dame in Montreal. I just woke up and decided to go. I'm attempting spontaneity.

/edit - mad props to DM for his recommendation to go to Montreal. Okay, maybe not as spontaneous as I could have been. But at least I didn't book a hotel. I checked but did not book. Oh, and that's my late lunch below at a great little resto on St.Paul in Old Montreal.
