Stanley’s Sugarshack

Mr friend RP and I went to Edwards ON yesterday to Stanley’s sugar shack. Quite busy but we were a week or two early for the running of the sap. Breakfast was quite good and the people were super friendly! We enjoyed the outdoor air but the best part was the farm animals! A very large pig, super ugly turkeys, super cute barn kitten, and horses, lots of large horses! Since I was enjoying myself so much, I didn’t really take too many photos.
