

Varia - too hot for full posting

After a week in the cottage and with the heat still sweltering, I have decided that even with air conditioning, I am not cooking or doing any full blog posts until the thunderstorms break this heat wave ☹☹

And [this](#) version of Joyce's Ulysses is MUCH easier to read than the real novel!

Slaves did not build the pyramid [here](#).

Stuff to do in Rome [here](#). All of these are on my list so expect photos!

And speaking of, here are a few shots from the weekend:
